30	No School, Elementary Planning Day
DECEMBER	
17	PTO meeting, 4:15 PM
21- Jan 4	Winter Break
JANUARY	
5	Planning Day, no school for students

NEWS FROM THE FRONT OFFICE

Please be sure to check the new Broadway website (see website address at the top of this page) frequently for events around our school and the district.

Please remember to call/email the office if your child will not be in school, i.e. sick, doctor, dentist, out of town, etc. If a message is left with no reason stated for absence, it will be considered unexcused. My email address is Trish.Vagneur@D51schools.org.

PARKING AND PICK-UP

Please help us maintain a nice traffic flow by remembering and adhering to the following procedures:

- Stay with your car if you stop along the curb. The curb in front and to the west of the building is for PICK UP / DROP OFF ONLY.
- **If you are going into the building, even briefly, please park in a parking space.**
- **Always pull as far forward as possible to the West**, when picking up or dropping off. This keeps the line from backing up into the highway. Also, **PLEASE DO NOT CUT INTO** the moving lane- join at the end and continue to move forward.
- If you are parked out in the lot, away from the curb, please get out of your car, walk and meet your child at the curb. For safety reasons, **children are instructed to remain on the sidewalk until escorted by an adult.**
- Park on the East side of Village Way to avoid the parking lot congestion. Students will be exiting through the gap in the fence. Please do NOT wave kids across the street without an adult beside them.

- The parking lot on the north side of the building (behind the Preschool building) is for STAFF and Preschool parking only. Please do not drop off or pick up your K-5 students in that lot because there is no safety supervision.

Please remember EACH DAY to fill out the CoVid Symptom Tracker for your student.

Students are expected to arrive to class on time. When a child is late to school he/she misses out on important information and interrupts the classroom instruction. Our tardy bell rings at 8:55 a.m. If your child arrives late, students need to come into the front lobby to get a tardy pass.

NEWS FROM THE HEALTH OFFICE

Everyone has been doing an awesome job wearing masks, washing hands, and keeping up with social distancing! We are heading into cold and flu season, so now is really important to continue with these practices! Please remember to fill out the symptom tracker in the morning, it helps us remain open for in person learning.

As a reminder all medications must come through the health office and a form must be signed by the health assistants and the parent, (prescription meds will need a doctor signature as well). This includes, chap sticks and lotions from home- they are considered a medication and a form must be filled out. Let's continue to have a healthy and safe year!

NEWS FROM THE COUNSELOR

I have been doing lessons in the classrooms (grades 1 -5) this month about building resilience. Students are learning about coping strategies they can use during difficult or challenging times. Students in 1st grade will learn one strategy at a time during whole class lessons. Students in grades 2- 5 are learning about many strategies and are making choices about what they would like to use this year to build their resilience. I will be following up with those students in small groups to support them in using the strategies. Kindergarten students will be learning about emotions this year and how to manage them.

NEWS FROM THE PTO

We had an excellent turn out for our First Annual Pumpkin Carving Contest! A huge thanks for all of the awesome pumpkin designs. We made just over \$600!! Photos. See the Broadway website for pictures of the winners and pumpkins.

👁️ Looking Ahead 👁️
